

ABOUT

Founded in 2001, Accordare, Inc. builds high-performance custom software that connects businesses to their partners, customers, and clients. With 25 years of delivery experience, we consult, prototype, and deploy — from startup MVPs to enterprise-scale systems.

CORE COMPETENCIES

Events Management

- End-to-end event platforms
- Badge printing & attendee scanning
- AI-powered attendee-partner matching
- Mobile notifications & virtual events
- International event support

Software Development

- Custom application development
- Rapid prototyping to production
- Web & mobile applications
- Portal & dashboard solutions
- Legacy modernization

Data & Cloud

- Big data pipelines & analytics
- Wordpress applications
- Cloud setup & maintenance
- HIPAA-compliant infrastructure
- International network creation
- AI / LLM integrations

Enterprise Integration

- SAP, PeopleSoft, JDE, Oracle Apps
- SOA / Web services architecture
- Data warehouse solutions
- Predictive Analysis

DIFFERENTIATORS

25+ Years Delivery

Built some of the largest systems on the Internet — proven at scale across government, healthcare, finance, and education.

Global Reach

Deployed in the US, UK, Australia, and China with WeChat-integrated platforms.

Full-Cycle Ownership

From whiteboard to production: architecture consulting, rapid prototypes, and delivered systems.

AI-First Thinking

LLM integration, predictive analytics, and intelligent matching built into products — not bolted on.

Specialized Products

- Events Management System (EMS)
- America 250 EMS (civic)
- StayConnected (senior care)
- Campaign ROI tracker
- In-home care billing platform

Scalable & Agile

Architectures built in achievable, demonstrable increments — delivering business value at every milestone.

NAICS CODES

- 541511** Custom Computer Programming
